LETTER FROM THE BOARD

GENERAL MANDATES TO REPURCHASE SHARES AND ISSUE NEW SHARES

At the annual general meeting of the Company held on 2 June 2021, ordinary resolutions were passed to grant general mandates to the Directors to repurchase Shares and issue new Shares. These general mandates will lapse at the conclusion of the 2022 AGM. Resolutions will therefore be proposed at the 2022 AGM to renew these general mandates. The relevant resolutions, in summary, are:

- (1) to grant to the Directors a Repurchase Mandate as set out in paragraph 6(A) of the Notice of AGM.
- (2) to grant to the Directors an Issue Mandate as set out in paragraph 6(B) of the Notice of AGM.
- (3) to extend the Issue Mandate which allows the Directors to issue new Shares to the extent repurchased by the Company as set out in paragraph 6(C) of the Notice of AGM.

An explanatory statement required by the Listing Rules to be sent to the Members in connection with the Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement contains all requisite information reasonably necessary to enable the Members to make an informed decision on whether to vote for or against the relevant resolution at the 2022 AGM.

RE-ELECTION OF RETIRING DIRECTORS

Mr. Winston CHOW Wun Sing, Mr. Stephen TING Leung Huel and Mr. Stephen LAU Man Lung shall retire by rotation as Directors at the 2022 AGM pursuant to bye-law 99(B) of the Bye-Laws, whereas Ms. Genevieve CHOW Karwing shall retire as Director at the 2022 AGM pursuant to bye-law 91 of the Bye-laws. All the retiring Directors, being eligible, offer themselves for re-election at the 2022 AGM.

The length of tenure of each Independent Non-Executive Director of the Company is as follows:

<u>Name</u>	<u>Length of Tenure</u>
Dr. CHAN Bing Fun	27 years
Mr. LEE Ka Lun	17 years
Dr. LO King Man	17 years
Mr. Stephen LAU Man Lung	9 years

LETTER FROM THE BOARD

The Nomination Committee of the Company has assessed and reviewed each of the Independent Non-Executive Directors' annual written confirmation of independence with reference to the factors as set out in Rule 3.13 of the Listing Rules and confirmed that all of them who have served on the Board for more than 9 years, including Mr. Stephen LAU Man Lung who is due to retire at the 2022 AGM, remain independent. In addition, the Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the Company's board diversity policy and director nomination policy and the Company's corporate strategy and found the retiring Directors' performance satisfactory.

The Nomination Committee has recommended to the Board on re-election of all the retiring Directors including Mr. Stephen LAU Man Lung. The Board is satisfied that the length of tenure of Mr. Stephen LAU Man Lung has not affected his independence having regard to his actual contributions, his impartiality and his independent judgement on various issues that he has brought to the discussions during Board and Board Committee meetings, and, therefore, the Board considers Mr. Stephen LAU Man Lung to be independent and recommends that he should be re-elected. The Board believes that the continuous appointment of the retiring Directors contributes to the stability and diversity of the Board.

Biographical details of the above retiring Directors proposed for re-election at the 2022 AGM, which are required to be disclosed pursuant to the Listing Rules, are set out in Appendix II to this circular.

2022 AGM

At the 2022 AGM, ordinary resolutions in respect of, among other things, the general mandates to repurchase Shares and issue new Shares and the re-election of retiring Directors will be proposed.

Members are advised to read the Notice of AGM and the accompanying important note, and to complete and return the accompanying form of proxy for use at the 2022 AGM in accordance with the instructions stated thereon.

This explanatory statement contains all the requisite information required to be given to the Members pursuant to rule 10.06(1)(b) and other relevant provisions of the Listing Rules, for their consideration of the Repurchase Mandate.

SHARE CAPITAL

Exercise in full of the Repurchase Mandate, on the basis of 677,434,000 Shares in issue of the Company as at the Latest Practicable Date and with the assumption that no Share will be repurchased or issued between the Latest Practicable Date and the 2022 AGM date, would result in up to 67,743,400 Shares being repurchased by the Company during the period from passing of the resolution until whichever is the earliest of (a) the conclusion of the next annual general meeting; (b) the expiration of the period within which the next annual general meeting is required by law to be held; or (c) the authority given to the Directors is revoked or varied by ordinary resolution of the Members in general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Members to have a general authority from the Members to enable the Directors to repurchase shares of the Company on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Members.

SOURCE OF FUNDS

In repurchasing Shares, the Company shall only apply funds legally available for such purpose in accordance with its memorandum of association, the Bye-Laws and the laws of Bermuda. The legally available funds are funds from the distributable profit of the Company.

IMPACT OF REPURCHASES

The exercise in full of the Repurchase Mandate may have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements in the annual report of the Company for the year ended 31 December 2021. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

DIRECTORS' UNDERTAKING AND CORE CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate pursuant to the proposed resolution to be approved at the 2022 AGM in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) have a present intention, in the event that the Repurchase Mandate is approved by the Members, to sell Shares to the Company.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Members.

TAKEOVERS CODE

If as a result of a share repurchase a Member's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Member or a group of Members acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Vincent CHOW Wing Shing, Director, is the beneficiary of a discretionary trust, which is the single largest Member and interested in 136,271,595 Shares, representing 20.12% of the number of issued shares of the Company. If the Repurchase Mandate was exercised in full, the shareholding of the aforesaid discretionary trust in the Company would be increased to 22.35%. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate. In addition, the Company will not purchase its Shares which will reduce the total number of issued shares of the Company in public hands to below 25%.

SHARE REPURCHASES MADE BY THE COMPANY

No Shares had been repurchased by the Company during the six months prior to the Latest Practicable Date, whether on the Stock Exchange or otherwise.

SHARE PRICE

The highest and lowest prices per Share at which Shares were traded on the Stock Exchange during each of the twelve months preceding and up to the Latest Practicable Date, were as follows:
